Hi there,

I wanted to reach out as I haven’t seen your registration come through for our virtual product launch with **Founder and CEO Garrett Langley** tomorrow at 2pm ET / 11am PT.

Our discussion will feature an **exclusive preview of cutting-edge AI solutions** and integrations designed to give you comprehensive insights across LPR, video, audio, and third-party devices and systems, enabling more confident responses and better outcomes.

You can save your spot here.

See you there!

Hayden

P.S. Have a scheduling conflict? No problem! Register anyway and we'll forward you the event recording
